

as it was drafted it would give a Class II school district only no time at all, basically, to be merged if it dropped under the 25 number. So we are inserting back in there, giving them the one year of such three year period, so it is basically putting it back like it was...like it is in the current statutes. Again, the second part of this is more technical in nature trying to reinsert language like the current statutes are as it applies to Class II's and the first part is attempting to define more clearly the elementary site. I would move the adoption of this amendment to the committee amendments.

SPEAKER NICHOL: Thank you. Senator Landis, did you wish to speak to this amendment? All right. No other lights are on on this Vickers amendment to the committee amendments. All those in favor vote aye, opposed nay. We are voting on the second Vickers amendment to the committee amendments. Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of Senator Vickers' second amendment to the committee amendments.

SPEAKER NICHOL: That amendment to the committee amendments is adopted.

CLERK: Mr. President, I now have an amendment to the committee amendments offered by Senator Lamb. This amendment is on page 815 of the Journal. This is the one you had labeled number one, I believe, Senator.

SPEAKER NICHOL: Senator Lamb.

SENATOR LAMB: Mr. President and members, I would withdraw those first three amendments.

SPEAKER NICHOL: Any objections? They are withdrawn. Mr. Clerk, what do you have next?

CLERK: Mr. President, in that case, the next amendment I have to the committee amendments is offered by Senator Lamb. It is Request 0381. It is found on page 816 of the Legislative Journal.

SPEAKER NICHOL: Senator Lamb.
